The **CareerLinking Academy** model was awarded a National Pinnacle Award for innovativeness from the National Society for Human Resource Management.

**Academic Standards**

**CareerLinking Academy** is aligned to the Pennsylvania Department of Education Academic Standards in Career Education and Work and adheres to federal, state, and local career education initiatives, such as High Schools That Work and Career Pathways, and may be used as a class or senior graduation project. **CareerLinking Academy** is designed for integration in the school year curriculum or can be offered as a weeklong continuous project. The diverse curriculum is approved for Act 48 credits.

For more information regarding the CareerLinking Academy, please contact the Lehigh Valley Workforce Investment Board, Inc. at 610-432-4087 or email info@lvwib.org.
An academy designed by the Lehigh Valley Workforce Investment Board, Inc. for high school students to explore career interests, map career paths, and link to employment and education opportunities.

CareerLinking Academy is approved for Education Improvement Tax Credits.
